About Blush Academy

Established in **2004**, Blush Academy is a quality academic institution dedicated to providing professional, industry-focused education in **Make-Up Artistry, Hairdressing and Nail technology**. With over two decades of experience, Blush Academy is proud to have trained many successful make-up artists, hairdressers and nail technologists.

Blush Academy is **South Africa's only Kryolan Professional Make-Up endorsed school**, working in cooperation with Kryolan Professional make-up to ensure students receive the latest and highest standard of professional make-up training. Students also receive a professional **Kryolan make-up kit** as part of their training, allowing them to work with premium products while developing their skills.

Our Hairdressing department is not only a professional training school but also a **nationally accredited Hairdressing Trade Test Centre**. Our qualified facilitators and assessors bring extensive industry experience and are committed to providing students with the highest quality education and practical training.

At Blush Academy, we prepare our students for successful careers by providing **nationally and internationally accredited qualifications**, giving our graduates the opportunity to work and grow professionally both in South Africa and around the world.

Blush Academy — Creating skilled professionals, inspiring confidence and shaping beautiful futures.
