Short Course Information

Please note that our **short courses are skills development programmes** and do not lead to a fully registered qualification.

If you are looking for a **nationally or internationally registered qualification**, you will need to enrol for one of our **full-time courses**.

Upon successfully completing a short course, you will receive a **Blush Academy Competency Certificate** as recognition of the skills you have acquired.

All short course fees are payable upfront with enrolment. The deadline for enrolment is approximately 2 weeks before commencement of the course.

For short course dates please email us on info@blushacademy.co.za or visit our website www.blushacademy.co.za
